

Traveling?

Are you moving around the country? Is your *RVing Women* magazine having trouble catching up to you? Now you can read your magazine online. Simply click on the link to the magazine from the home page at www.rvingwomen.org.

Online magazines in Pdf format are available dating back to July/August 2008.

To open Pdf files, you will need to have Adobe Acrobat Reader installed on your computer. For a free download, click on the Adobe icon after you enter the RVW members-only page.
